VISION

Our vision is to raise awareness, deepen affinity, and create opportunities for strengthening the relationship of Taiwan, its people and culture, with the international community.

MISSION

GTI’s mission is to enhance the relationship between Taiwan and other countries, especially the United States, through policy research and programs that promote better public understanding about Taiwan and its people.

ABOUT US

The Global Taiwan Institute (GTI) is a private non-profit policy incubator located in the nation’s capital, Washington, D.C. The organization is a 501(c)(3) supported by Taiwanese and Americans of Taiwanese descent.

Public Seminars
Regular events that address Taiwan’s role in the broader policy debates with a focus on both traditional and non-traditional issues.

Fellowships
We offer a variety of opportunities to facilitate academic and scholarly exchange in the form of funded fellowships based in Washington D.C. and in Taiwan.

Annual Symposium
Our flagship program, an annual symposium on U.S.-Taiwan policy.
